I don't clearly remember anything that happened afterwards.
Kaka ran as fast as a rolling stone down that steep mountain
and reached that temple at the foot of the mountain
Kaka was saved
with only some scrapes and bruises.
But the young man who had helped me

Genjou probably won't live much longer.
That's really saddening...
and that child...he did all this for a child he doesn't know?
He suffered so many severe injuries...the way he laid there, almost like a corpse, still haunts me.
arrived the next day at the temple clinging to life.
It's Kaka's fault.
Brother...
I'm sorry...
I'm so sorry...
Kaka...

Hey...
did I manage to save you?
That's great...
Ever since he said those words,

Kaka decided to live with Master,

forever and ever more.

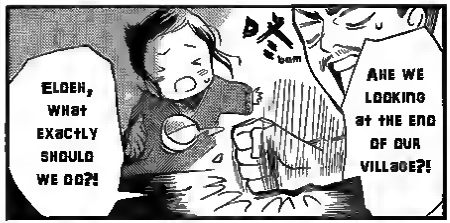
IT'S KAKA'S WIN AGAIN!
Dammit Dammit Dammit Dammit Dammit Dammit
Let's stop it, Ryuu kun
You don't need to beat her just because she's so strong despite her size.
That's EXACTLY WHY I NEED TO WIN!
...What's that black stuff in the water?

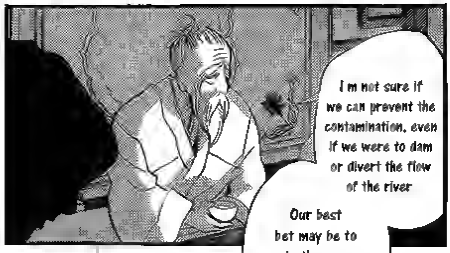
The black stuff keeps spreading.
Something's just disturbing the mud on the riverbed.
Heh.
disintegrates
We can't use it in this state.
The water is no good...
It's poison!
We need to inform everyone!

It's finally this village's turn.
The capital's contaminated water has reached us.

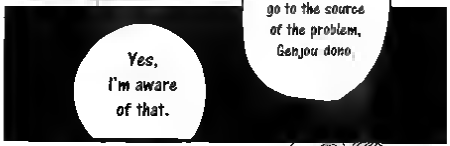
The capital...

From here, in the far west,
it's the place in the center of the country.
The capital is in disarray.
but I didn't expect our village to be affected as well.
The news of turmoil there certainly has reached my ears,





I'm not sure if we can prevent the contamination, even if we were to dam or divert the flow of the river
Our best bet may be to go to the source of the problem, Ganjou dono



The village in the west is in an even worse situation
Besides the water problem, their air and soil are also becoming contaminated.

Eh ???
oooEH?!
I'll go to the capital, trace the source, and then deal with the dilemma on the spot.
I'll visit the Emperor.
Vish..
Tatt!.. Tattt...
He's trembling!
Okay
I'm counting on you, Genjou dono
WHAT?!
WHY DOES MY MASTER HAVE TO DO TO SUCH A DANGEROUS PLACE?!
ABSOLUTELY NOT!
Wh-
What are you doing to the Elder?!
HE IS SICK!

Please stop!
I have to go, no matter what.
The Emperor will more likely lend an ear if I request his audience.
Then Kaka's going!
Not possible.
NO WAY! I'M COMING!
KAKA'S DUTY
IS TO BE BY HER MASTER'S SIDE!
Kaka!
Please understand.
You cannot say something selfish right now.

Master, you idiot!!
Your journey starts at sunrise.
We will have two young men accompany you.
Kaka,
please cheer up.
I'm leaving now.

Kaka,
listen.
This is a good village.
It has a warm atmosphere with lively people.
A fresh breeze flows through this village, lightening their hearts.
This is mine, yours,
and everyone else's home.
I have to protect the village as a priest.
With Kaka holding down the fort,
I have some comfort during my absence.

I have faith in you, Kaka.

Master,
Wait...
Kaka knows.
Her master is always scared and shivering.

I know that.
It's useless to try and stop him.
All Kaka can do is
but he's still a very brave person
who never backs down.
stay vigilant.
Especially over her master's protective charm.

Alone.
I have to protect the mountain alone.
Until Master returns.
I'll go to bed early
Kaka will be fine
because she has her master's hand.

Ow!
Ryuu-kun, everyone...
Aren't you living alone here, starting today?
It's dangerous to leave a kid alone at night, so
we're going to take turns visiting you.

Kaka needs to inform Master!
He will definitely figure something out!
My only option.
The only thing Kaka can do now is...
Everyone, please wait for me!
Master should be resting at the temple.

Translation Notes:

Hello! Thank you so much for reading my translation of Tripitaka Torioiko, Chapter 1. I thought some people might enjoy a little context going in. Keep in mind that everything I say is a result of some intense Google-fu. My translation skills are mediocre at best.

1 The manga is set in China during the Tang dynasty (618-907). It was a trade, legal, literary and artistic Golden Age for the country. Chang'an was the capital at the time as well.

2 ***Journey to the West*** (c. 1592, att. Wu Cheng'en) one of the Four Great Classical Novels of Chinese Literature, appears to be a primary source of inspiration. Iconography and motifs from the novel are as culturally recognizable in East Asia as the Brothers Grimm (Cinderella, The Frog Prince, Rapunzel) and Hans Christian Andersen (The Little Mermaid) fairytales are in Western Europe and North America.

3 The novel's monk character (Mr. Sexy in the attached image), who the two main males appear to be based on, possesses many titles. I decided to use one title's Japanese on'yomi (Genjou Sanzou), derived from the Chinese pinyin (Xuanzang Sanzang), for their English names.

4 The manga's title also references another title of the novel's monk character "Tripitaka." (a Chinese-Sanskrit bilingual pun that can't be explained concisely in English)
